Mac's Nutrition News

Ring in the New Year with healthy achievable goals!

First, think about what habits you need to change to create a healthier lifestyle. For example, if you want to eat more vegetables, set a small, measurable goal of choosing to eat the vegetable of the day from your cafeteria line 2 days a week for a month. While keeping this habit going, you can move on to other goals (for example choosing fruit two days per week as well) or expand on your current goal (increase your vegetable selection at lunch to three days per week). You will feel a great sense of accomplishment when you achieve your goals!

All Meals are Served with the Vegetable of the Day and/or a selection from Mac's Veggie Patch. Fruit of the Day and Low Fat Milk Choice
